

Transitions are Difficult. Do You Have the Time and Expertise to Coordinate?

Silver Sherpa is a lifestyle transitions company delivering independent and personalized advice on smart ageing and difficult transitions. We combine specialized health care and business knowledge with planning expertise to help the elderly and their families get the care and support they need.

Planning Factors:

Silver Sherpa understands the complex challenges elders and their families experience. We are experts in helping seniors plan for their future. We also specialize in quickly navigating unexpected transitions and crises. Our knowledgeable Client Directors assess transition needs, identify priority actions, and help you activate your plan.

Smart Ageing Audit Proactive Planning for the Silver Years

As a parent I don't know how to organize my information for my children; I'm overwhelmed.

My parents are in their 80's, and I have no idea where they keep their medical or financial information or how to reach key people if something happens to them.

When to Call

Our Smart Ageing Audit helps you organize key information and plan for the future - to get your "ducks in a row". Planning ahead ensures decisions reflect your interests. You will be prepared to meet future challenges so you can live life on your own terms.

Crisis Management Trusted Co-pilots in Times of Crisis

The hospital says I need to leave but I can't cope alone. My children have families and don't live nearby. What do I do?

When I get an emergency call regarding my parents, who do I call for expert advice and guidance? Where do I start? How much will it cost?

When to Call

Unexpected healthcare issues, the loss of a spouse and financial concerns - life crises for the elderly are difficult to navigate. Do you have the time and expertise to cope? Through our comprehensive elderly planning and coordination services, we guide you through the maze.

Personalized Living Plan™ Assess Your Needs and Activate Your Plan

After 50 years in my bungalow, I know I have to sell my house, but it's so much work and I don't have any help.

My parents have a home in Florida and are talking about selling it but they don't understand how tax laws have changed, and my father forgot to file their Canadian taxes this year.

When to Call

Combining healthcare and business knowledge with planning expertise, Silver Sherpa works with the elderly and their families to develop a comprehensive Personalized Living Plan™ to address key quality of life factors.
